

Volunteers wanted to serve on the *Brain Injury Connection (BIC)* Medical and Legal Advisory Boards

Are you a medical or legal professional that specializes in acquired brain injury (ABI), i.e., traumatic brain injury, strokes, tumors, aneurysms, etc.?

Do you like to write? Do you like to keep yourself updated on the latest information regarding your profession? Do you have the time, talent and desire to educate others about brain injury?

The ***Brain Injury Connection (BIC)*** is seeking professionals to serve on the **Medical and Legal Advisory Boards** of the ***BIC*** publication. These boards work closely with the publication's editor(s) and columnists; recommend content; and review material submitted for publication.

The ***BIC*** would like our boards to be reflective of a rehabilitation team and the other professionals who provide services or care to those affected by brain injury including:

- *Audiologists*
- *Case Managers*
- *Dieticians*
- *Neurologists*
- *Neuropsychologists*
- *Nursing Assistants*
- *Occupational Therapists*
- *Job Coaches*
- *Physiatrists*
- *Physical Therapists*
- *Recreation Therapists*
- *Registered Nurses*
- *Social Workers*
- *Speech Pathologists*
- *Vocational Rehab Counselors*
- *Attorneys*

For more information about ABI and the ***Brain Injury Connection*** visit the ***BIC*** web site at: <http://www.braininjuryconnection.org>.

To join the **Medical or Legal Advisory Board** contact Shirley Wheatland, Speech Pathologist, at: shirley@braininjuryconnection.org.
